**Policy: Community Events**

**Policy Number: OU02**

**Effective Date: August 28, 2018**

**Editions:**

Participating in community events is essential for organization exposure, public relations, family recruitment, resource sharing as well as strengthening community partnerships. The Coalition will participate in community events that most appropriately fit our mission and audience. Events will be staffed by ELCFV employees and/or volunteers. Services offered at events include:

- parenting and child development tips with care givers
- information about ELCFV services and community resources
- hearing and vision screenings
- child development screenings
- developmentally appropriate children and family activities
