

Challenging Behavior Supports

1. [Understanding Autism & Developmental Disabilities in the Classroom Setting Training](#)

Let's talk about Autism, Developmental Disabilities, and Learning Disabilities. Learn the characteristics and signs and quick strategies for working with each population. We will also discuss the differences between educational exceptionality and a medical diagnosis. Effective communication between teachers and parents is paramount to a child's development. Learn ways to exercise the utmost care and consideration when broaching sensitive subjects with parents. We will conclude with some great resources offered in our community.

May 11th location:

Salvation Army in Daytona Beach

1555 LPGA Blvd Daytona Beach, FL 32117. Doors open at 8:55am.

Time: 9 – 11AM
