

## Challenging Behavior Supports

### **1. Antecedent Strategies to Prevent Problem Behavior in the Classroom**

When: August 6

Time: 6-8PM

Virtual

\*For Flagler and Volusia Early Educators only

Stop behaviors before school starts!

Discover effective methods to prevent problem behavior in your early childhood classroom with our specialized training on Antecedent Strategies rooted in Applied Behavior Analysis (ABA). Designed specifically for preschool teachers, this training will equip you with practical tools and techniques to modify the environment, proactively teach appropriate behaviors, and create a supportive, structured learning atmosphere. Learn to implement visual supports, predictable routines, and differential reinforcement to enhance student engagement and improve classroom management. Join us to gain valuable insights and skills that will transform your classroom into a more harmonious and productive space.

A link will be sent to registered participants closer to the date.

\$50 stipend to each teacher that attends the entire training.
